

# CITY OF CHICAGO & SCYTL ONLINE ELECTION WORKER TRAINING

## CHALLENGES

- Efficiently hire tech-savvy individuals
- Reinforce concepts from in-person training
- Automate process to assign & track training

## SOLUTIONS

Program designed using best **adult learning practices**, with **custom interactive lessons and exercises** that each applicant must complete, with robust assessment reporting.

Give new hires the opportunity to **better understand the job responsibilities** before Election Day, increasing their confidence and sense of preparedness.

Proactively **assign training, and track completion**. Communicate both internally and directly to the election workers.

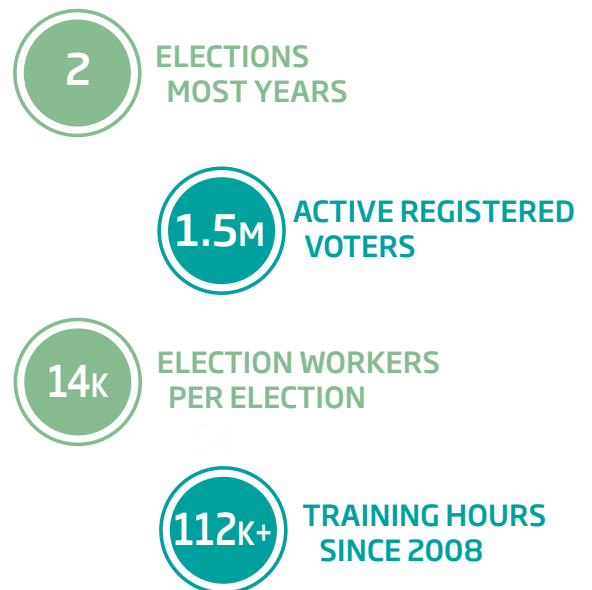

“ The Scytl Online Election Training program helped us **efficiently recruit and train 4,000 tech-savvy election workers**. In addition, the poll workers can review the training material closer to Election Day. ”

-Audra Lewicki, Manager, Community Services Division  
Chicago Board of Election Commissioners

## BENEFITS

- **Increased access to election worker training for busy volunteers.** “Now we provide access to all 14,000 of our election workers, who now have easy remote access from anywhere.” -Audra Lewicki
- **Flawless voter experience.** Consistent training ensures that election workers get it right the first time, giving your voters confidence before, during and after they vote.
- **Increased organizational confidence.** “When the Chicago Board of Elections has questions about our election worker training ... they will see a modern and effective training program.” -Audra Lewicki
