

eBallot Delivery

Increase access & efficiency for remote voters

Download ballots | Mark ballots on-screen | Return ballots electronically

“ We wanted to **modernize our elections process** and provide an online alternative to fax. The solution had to offer a **secure option for ballots to be received and returned online**. The ScytI solution was selected...We had a very positive response from voters. ”

Gail Fenumiai | Director, Division of Elections | State of Alaska

IN 2016

50%

Remote voters who received their ballot online were **50% more likely to vote successfully** than those who received a paper ballot through the mail.

FEATURES

- UOCAVA eligible voter sign-up
- Voter notifications when ballots are available, when ballots change, & when ballot status changes
- Enable voters to download, mark on-screen, & submit ballots online
- Track when ballots are downloaded, submitted, & if they are counted
